D

Mäßiges Anziehen von Hand genügt; keine Gewalt anwenden!
Die Metallsäulen sind versiegelt, nicht mit scheuernden Mitteln reinigen!

Wir übernehmen keine Gewähr/Haftung für den Aufbau bzw. die Montage.

F

Serez uniquement à la main. Un serrage excessif peut causer des dommages à la glace et aux autres éléments.
Les tubes peuvent être nettoyé à l'aide d'un chiffon doux. Ne pas utiliser de matière abrasive ou chimique qui pourrait délérioré la surface.

Nous ne pouvons être tenu responsable pour des défauts ou, des dégâts causés par un assemblage ou un montage non conforme.

GB

Tighten only by hand. Over tightening may cause damage to both glass and fittings.
Columns can be cleaned by using a soft cloth.
Please do not use abrasive materials or chemicals, which may cause damage to the surface.

Please note that we cannot accept responsibility for faults or damage caused by wrong assembly and/or mounting.

NL

Alleen handmatig strak aandraaien. Te strak aandraaien kan schade aanbrengen aan zowel het glas als de hechtingsplaat.
De buizen kunnen schoongemaakt worden met een zachte doek / stuk stof. Gebruik s.v.p. geen materiaal dat kan schuren of chemische producten aangezien dit schade kan aanbrengen.

De fabrikant kan geen verantwoordelijkheid nemen voor schade ontslaan door verkeerde montage of ophanging.

I

Serrate solo a mano. Un serraggio eccessivo può causare rottura dei cristalli e di altre componenti.
Le colonne possono essere pulite usando un panno morbido. Attenzione non usare materiali abrasivi o chimici poiché potrebbero danneggiare la superficie.

Attenzione! Nessuna responsabilità potrà essere attribuita per problemi causati da una scorretta installazione o assemblaggio.

E

Ajustar solo con las manos. Un ajuste excesivo puede causar daños tanto al cristal como a las fijaciones.
Las columnas pueden ser limpiadas usando un paño fino. Por favor no usar materiales abrasivos químicos, que puedan causar daños a la superficie.

Por favor, se consciente que nosotros no podemos aceptar responsabilidad por fallos causados por un mal montaje o ensamblado.

P

Apreite manualmente os parafusos. Um aperto excessivo poderá danificar tanto o vidro como as junções.
Os tubos deverão ser limpos com um pano macio. Não utilizar produtos abrasivos ou químicos, pois estes poderão danificar as superfícies.

Não poderemos aceitar quaisquer responsabilidades de acidentes inerentes a erros de montagem ou instalação deficiente.

TR

Sadece elle açittır. Aşırı açittırma hem cama hem de camerege zara verebilir.
Kolonlar yumuşak bir bez kullanılarak temizlenebilir. Lüften yüzeye zarar verebilecek olan zıncıncı, macdeler veya kimyasal macdeler kullanmayın.

Lüften, yanlış bir açıya getirme veya veya montaj yapıldıktan maydana gelen hatalar veya basarak için sorumluluk kabul etmeyeceğimize davat ediniz.

RUS

Затягивайте вручную. Излишние усилия при затяжке могут привести к повреждению стекла и фурнитуры.
Используйте для протирки мягкую ткань. Не используйте абразивные материалы или химикаты, это может привести к повреждению поверхности.

Обращаем ваше внимание что мы не несем ответственности за разрушения и повреждения, вызванные неправильной сборкой и монтажом.

1.

Bei Kabelführung durch die Glasplatte:
mit dem größten Stecker beginnen /
For cable management through the glass plate:
start with the largest plug
